

AQ001 Recycled Polyester Polo

Retail Description:

Crafted from soft and durable 100% recycled polyester, this contemporary fit polo shirt excels in comfort and breathability, with built-in moisture-wicking technology that helps prevent a buildup of sweat on the skin, ensuring a lasting cool and dry feel all day long. To maintain colour quality, this polo has been dyed with cationic dyes, a method that is more resistant to fading, bleeding, and staining. The perfect choice for workwear, particularly for jobs that require frequent washing and physical demands.
